Pears' Soap

The skin ought to be clear; there is nothing strange in a beautiful face.

If we wash with proper soap, the skin will be open and clear, unless the health is bad. A good skin is better than a doctor.

The soap to use is Pears'; no alkali in it. It is perhaps the only soap in the world with no alkali in it.

All sorts of stores sell it, especially druggists; all sorts of people use it.

A resident of Mannville, N. Y., while hunting in Watervliet one day recently, was savagely attacked by three large screech-owls. He received several bad cuts on the face and head before he was able to kill one and drive the other two away.

At the national convention of the people's party, held in Omaha, Nebraska, July 4, Gen. James B. Weaver of Iowa, and Gen. James G. Field of Virginia, were made the nominees for the office of president and vice-president of the United States.

Mrs. Nellie Neel had a tooth extracted by Dr. W. E. Baskerville of Keo, Ark., one day last week and asked permission to leave her babe with him while she went to meet her sister at the train. She boarded the train and abandoned the babe.

Miss Bettie Goodman, aged 17 years, committed suicide at the home of her step father, Pat McCaniff, in Centerville, Boone county, Tuesday of last week, by taking strychnine. She had been led astray and she chose death as a relief from her shame.

A female coon was struck by lightning in Kansas City, Wednesday afternoon of last week while uttering blasphemous oaths. Such a visitation on some of the colored population of Keytesville might have a salutary effect. Lightning is a dead ener on coons.

J. A. Potts, of Mexico, Audrain county who recently returned from the northwest, states that Audrain horses are always in demand in that section. Mr. Potts speaks from practical experience since he took with him and disposed of a car load of excellent saddlers and drivers.

The old families are likely to stay in the regular army of the United States. Among the cadets at large appointed this year are Francis H. Pope, son of General John Pope; William Sherman Fitch, grandson of General W. T. Sherman, and Marshall F. Oliver, grandson of General C. F. Smith, the hero of Fort Donelson.

A New Kind of Insurance.
For twenty-five cents you can insure yourself and family against any bad results from an attack of bowel complaint during the summer. One or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy will cure any ordinary case. It never fails and is pleasant and safe to take. No family can afford to be without it. For sale at 25 and 50 cents per bottle by Sneed's Drug & Gro. Co.

The lower house of congress one day last week, passed a bill making it unlawful for any railroad, steamboat or transportation company doing an interstate transportation or carrying business to transport or permit to be transported over its lines any body of armed men, whether assuming to act as a detective or police force or not; provided that this act shall not apply to those engaged in the military service of the United States or any state, territory or the district of Columbia.

CASIMIRA BARELA has represented the Las Animas county district in the Colorado legislature for years; and has been in the Colorado senate more consecutive years than any other member. This would indicate sufficient political aptitude on the part of the Mexico-American to remove any objections to the admission of New Mexico.

A Sensible Man.
Would use Kemp's Balsam for the Throat and Lungs. It is curing more cases of coughs, colds, asthma, bronchitis, croup and all throat and lung troubles than any other medicine. The proprietor has authorized any druggist to give you a sample bottle free to convince you of the merits of this great remedy. Large bottles 50 cents and \$1.

GEORGE WILLIAM CURTIS, president of the National Civil Service Reform association, editor of *Harper's Weekly* and chancellor of the board of regents of the University of New York, is lying seriously ill at his home on Staten Island, suffering from cancer of the stomach. There is no hope for his recovery, but he may live for some weeks or even months.

A Great Surprise.
Is in store for all who use Kemp's Balsam for the Throat and Lungs, the great guaranteed remedy. Would you believe that it is sold on its merits and that any druggist is authorized by the proprietor of this wonderful remedy to give you a sample bottle free? It never fails to cure acute or chronic coughs. All druggists sell Kemp's Balsam. Large bottles 50 cents and \$1.

WILLIAM GILPIN, Jr., son of ex-Governor Gilpin, of Colorado, lost his life Saturday of last week by falling from a bluff into the South Platte river near a point on the South Park railroad in that state. The boy was hunting with several companions, when he missed his footing. His neck was broken by the fall. Young Gilpin was 17 years of age.

At the convention of railway postal clerks, held at St. Joseph, the 12th S. Z. Ettinger, of St. Louis, and H. B. Hasbrouck, of St. Joseph, were elected delegates to the national convention of railway postal clerks, to be held in Detroit, Mich., August 3rd. The national convention will raise funds and send one or more of the members of the Railway Clerks' Association to Washington to lobby for the passage of the increase of salary bill now before congress. The bill has already passed the senate.

LATE reports from Russia are to the effect that cholera has appeared in Moscow, where there are thirty-five cases in hospital, but that no deaths have occurred. The disease continues to spread in the towns in the infected districts. Several railway passengers traveling from Moscow to St. Petersburg became suspiciously ill, were stopped enroute and returned to Moscow. It is reported that cholera has broken out in a village near Jeletz, in the government of Orel.

Specimen Cases.
S. H. Clifford, New Cassel, Wis., was troubled with Neuralgia and Rheumatism, his Stomach was disordered, his Liver was afflicted to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Specker, Catawba, O., had five large Fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by W. C. Gaston Drug store.

SATURDAY evening of last week, the body of Ed Franklin, about 16 years-old and a son of Jas. K. Franklin, of Milan, Sullivan county, was found hanging in the hay loft of his father's barn. The young man had not been well for some time and was staying about the house. On the above named day Mr. Franklin went to Browning to mill and Mrs. Franklin was out some where, and the older brothers were plowing corn. The young man wanted to go to the field and plow corn, but his brothers told him he had not been well, and when they came in from work he was missing and search resulted in finding his body hanging in the hay loft in the barn. He had tied a rope to the rafter, and his toes touched the floor when found.
